

INTRODUCING CAP’S TRUCK WASH!

We’re proud to announce the soft launch of Cap’s Truck Wash, the newest addition to the Young Trucks family of brands — and a name that carries special meaning.

A Clean Tribute to Our Roots

Named in honor of entrepreneur H.B. “Cap” Young, the first Young family member to enter the trucking industry, and the year our family business began — 1954 — Cap’s Truck Wash celebrates our heritage while bringing state-of-the-art technology and service to today’s trucking industry. It’s more than a wash—it’s a modern, professional operation that reflects the same quality, pride, and reliability that define the Young Trucks name.

Powered by Whiting Systems’ SmartWash Supra Gantry, Cap’s Truck Wash provides a state-of-the-art clean for tractors, trailers, and light vehicles alike — delivering consistent, efficient, and professional results every time.

NOW OPEN

Cap’s Truck Wash is **officially open and ready to serve all customers**. We’re excited to welcome the trucking community to experience our new wash facility—built for tractors, trailers, and light vehicles.

Wishing You a Joyful Holiday Season

As 2025 comes to a close, all of us at Young Trucks want to extend our heartfelt gratitude for your continued partnership and trust. This year has been filled with exciting progress — from the launch of new programs and services to serve you better to the ongoing construction of our new dealership on Whipple Ave — and we couldn’t have done it without your support.

We wish you and your families a safe, happy, and restful holiday season. Here’s to a successful and prosperous 2026!

– The Young Trucks Team

RULES OF THE ROAD

To stay true to our purpose, we follow a set of guiding principles we call the Rules of the Road — a system for how we show up, serve others, and stand out.

#7 BE FEARLESS

The road to success is paved with sweat and tears, grit and determination.
Despite the fears, always forge ahead.

Visit a **Young Trucks location** for sales, leasing, fleet maintenance, finance, parts, service, body shop, trailer, and more specialized services to keep you moving.

GET TO KNOW OUR TEAM

MEET DUSTY LOY,

Service Manager – Young Volvo & Young Trailer Shop

When you walk into Young Volvo or the Young Trailer Shop, there’s a good chance you’ll be greeted by **Service Manager Dusty Loy** — a leader who brings experience, professionalism, and a people-first mindset to every interaction. Since joining Young Trucks in March 2024, Dusty has been focused on strengthening communication, efficiency, and customer care — all while helping the Volvo and Trailer Shop teams deliver on the promise of **Volvo Uptime Certified Service**.

Q: There’s been exciting growth happening at the Young Trailer Shop. What can customers expect?

Dusty says the expansion of the Trailer Shop is about offering more solutions under one roof. “We’re adding new capabilities — including trailer refrigeration repair — to help our customers keep their operations running smoothly,” he explains. “Whether it’s dry vans, reefers, or specialized trailers, our team is building the skillset and infrastructure to handle it all.” He notes that the growth is driven by customer demand and a shared goal across departments to deliver full-service support for every aspect of the trucking business.

Q: What does it mean to customers that Young Volvo is Uptime Certified?

Volvo’s Uptime Certification is all about getting trucks back on the road quickly and confidently. For customers, it means faster check-ins, proactive communication, and fewer surprises. “It’s a program built around the customer,” Dusty explains. “Our team is trained and equipped to minimize downtime — that’s what Uptime service is all about.”

Q: How are you helping strengthen the service experience at Young Volvo and the Trailer Shop?

Dusty’s leadership centers on teamwork and communication. “We’re building a culture where everyone — technicians, service writers, and parts — works in sync. That’s how we deliver consistent quality and meet the high standards customers expect from Young Trucks and Volvo.”

Q: What do you enjoy most about your role?

“I love seeing the team succeed — when we solve a tough issue, turn a repair around quickly, or earn a customer’s repeat business. That’s what it’s all about. We take pride in helping our customers stay productive and on the move.”

Q: What do you enjoy most outside of work?

Family and baseball top the list for Dusty. He and his wife, Diana — who also serves as Human Resources Director at Young Trucks (we make a good team at work and at home!) — recently welcomed a new grandchild, bringing a whole new kind of joy to their lives. When they’re not spending time with family and friends, the two share a love of baseball. Dusty plays in an adult league, and together they’re on a mission to visit every Major League Baseball park in the country. “We’ve seen some amazing ballparks and met great people along the way,” he says. “It’s something we both look forward to every season.”
